## **Committee's Report**

#### For the Year Ended 31 December 2018

The committee members submit the financial report of the Association for the financial year ended 31 December 2018.

#### 1. General information

#### **Committee members**

The names of committee members throughout the year and at the date of this report are:

Anthony Hill President

Richard Hocking Telemark Director
Andrew Rae General Manager

Deborah Meehan Treasurer
Richard Jameson Alpine Director
Adam Federico Snowboard Director
Zac Zaharias Nordic Director
Tom Hodges Adaptive Director

Adam Hosie Snowsport School Representative

David Burton Resorts Representative

#### **Principal activities**

The principal activities of the Association during the financial year were:

- to promote, develop, co-ordinate and conduct education, training, accreditation and other programs and projects related to snow sport instructions and APSI activities
- to ensure the protection of the separate and collective interests of all members and affiliated bodies
- to implement policies in relation to the conduct, administration, promotion and regulation of snowsport instructor training and accreditation
- to raise the levels and standards of instruction in snow sports
- to provide opportunities for all members to maximise their individual potential by fully developing their skills
- to co-operate with and assist any organisation having objects and purposes similar to those of the APSI in any manner which may further the interest of snow sport instruction or the APSI generally, including liaison, support and collaboration with the ISIA, Interski, IVSS and ASAA and other snow sport organisations
- to disseminate information to all members
- to maintain relevant records of APSI activities
- to promote greater awareness of the APSI throughout the community, government, media and corporate sector.
- to select and appoint members to represent the APSI in international snow sport instruction events and related activities.

ABN: 34 519 216 085

# **Committee's Report**

1.	General information
	Significant changes
	No significant change in the nature of these activities occurred during the year.
2.	Operating results and review of operations for the year
	Operating result
	The surplus of the Association for the financial year after providing for income tax amounted to \$ 77,461 (2017: \$ 111,543).
	Signed in accordance with a resolution of the Members of the Committee:
	Committee member:

#### **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

The financial statements cover Australian Professional Snowsport Instructors Incorporated as an individual entity. Australian Professional Snowsport Instructors Incorporated is a not-for-profit Association incorporated in New South Wales under the Associations Incorporation Act (NSW) 2009 and Associations Incorporation Regulation (NSW) 2010 ('the Act').

The functional and presentation currency of Australian Professional Snowsport Instructors Incorporated is Australian dollars

#### 1 Basis of Preparation

These general purpose financial statements that have been prepared in accordance with the *Associations Incorporation Act (NSW) 2009* and Australian Accounting Standards and interpretations of the Australian Accounting Standards Board. The association is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

#### 2 Change in Accounting Policy

#### Financial Instruments - Adoption of AASB 9

The Association has adopted AASB 9 *Financial Instruments* for the first time in the current year with a date of initial adoption of 1 January 2017.

As part of the adoption of AASB 9, the Association adopted consequential amendments to other accounting standards arising from the issue of AASB 9 as follows:

- AASB 101 Presentation of Financial Statements requires the impairment of financial assets to be presented in a separate line item in the income and expenditure statement. In the comparative year, this information was presented as part of other expenses.
- AASB 7 *Financial Instruments: Disclosures* requires amended disclosures due to changes arising from AASB 9, this disclosures have been provided for the current year.

The key changes to the Association's accounting policy and the impact on these financial statements from applying AASB 9 are described below.

Changes in accounting policies resulting from the adoption of AASB 9 have been applied retrospectively except the Association has not restated any amounts relating to classification and measurement requirements including impairment which have been applied from 1 January 2018.

ABN: 34 519 216 085

#### **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

#### 2 Change in Accounting Policy

#### Financial Instruments - Adoption of AASB 9

#### Classification of financial assets

The financial assets of the Association have been reclassified into one of the following categories on adoption of AASB 9 based on primarily the business model in which a financial asset is managed and its contractual cash flow characteristics:

- Measured at amortised cost
- Fair value through profit or loss (FVTPL)
- Fair value through other comprehensive income debt instruments (FVOCI debt)
- Fair value through other comprehensive income equity instruments (FVOCI equity).

#### Measurement of equity instruments

All equity instruments of the Association are measured at fair value under AASB 9 whereas there was a cost exception under AASB 139 which allowed certain unlisted investments to be carried at amortised cost in the absence of a reliable measurement of fair value. Any difference in the previous carrying amount and the fair value is recognised in the opening retained earnings (or other component of equity, as appropriate) in the reporting period which includes the date of application.

Equity instruments are no longer subject to impairment testing and therefore all movements on equity instruments classified as fair value through other comprehensive income are taken to the relevant reserve.

#### Impairment of financial assets

The incurred loss model from AASB 139 has been replaced with an expected credit loss model in AASB 9 for assets measured at amortised cost, contract assets and fair value through other comprehensive income. This has resulted in the earlier recognition of credit loss (bad debt provisions).

ABN: 34 519 216 085

#### **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

#### 2 Change in Accounting Policy

Financial Instruments - Adoption of AASB 9

#### Classification of financial assets and financial liabilities

The table below illustrates the classification and measurement of financial assets and liabilities under AASB 9 and AASB 139 at the date of initial application.

		Classification under AASB 139	Classification under AASB 9	Carrying amount under AASB 139	Reclassific- ation	Re- measurem e-nts	Carrying amount under AASB 9
	Note			\$	\$	\$	\$
Financial assets							
Trade and other receivables	7	Loans and receivables	Amortised cost	18,028	-	-	18,028
Cash and cash equivalents	6	Loans and receivables	Amortised cost	241,431	-	_	241,431
Term deposits (i)	9	Held to maturity	Amortised cost	307,629			307,629
reilli deposits (i)		maturity	Amortised cost	307,029	-		307,029
Total financial assets				567,088	-	-	567,088
Financial liabilities							
Trade payables	12	Other financial liabilities	Other financial liabilities	19,695	_	-	19,695
Total financial liabilities				19,695	-	-	19,695

Notes to the table:

#### (i) Reclassification from Held to Maturity to Amortised Cost

Term deposits that would previously have been classified as held to maturity are now classified at amortised cost. The Association intends to hold the assets to maturity to collect contractual cash flows and these cash flows consist solely of payments of principal and interest on the principal amount outstanding. There was no difference between the previous carrying amount and the revised carrying amount of these assets.

#### 3 Summary of Significant Accounting Policies

#### (a) Income Tax

The Association is exempt from income tax under Division 50 of the Income Tax Assessment Act 1997.

#### (b) Revenue and other income

Revenue is recognised when the amount of the revenue can be measured reliably, it is probable that economic benefits associated with the transaction will flow to the Association and specific criteria relating to the type of revenue as noted below, has been satisfied.

Revenue is measured at the fair value of the consideration received or receivable and is presented net of returns, discounts and rebates.

All revenue is stated net of the amount of goods and services tax (GST).

ABN: 34 519 216 085

#### **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

#### 3 Summary of Significant Accounting Policies

#### (b) Revenue and other income

#### Sale of goods / mechandise

Revenue is recognised on transfer of goods to the customer as this is deemed to be the point in time when risks and rewards are transferred and there is no longer any ownership or effective control over the goods.

#### Interest revenue

Interest is recognised on a proportional basis taking into account the interest rates applicable to the financial asset

#### Membership fees

Membership fees are recognised as revenue when received.

#### (c) Goods and services tax (GST)

Revenue, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included as part of receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST component of cash flows arising from investing or financing activities which is recoverable from, or payable to, the ATO are presented as operating cash flows included in receipts from customers or payments to suppliers.

#### (d) Inventories

Inventories are measured at the lower of cost and net realisable value. Cost of inventory is determined using the first-in-first-out basis and is net of any rebates and discounts received.

#### (e) Plant and equipment

Plant and equipment are carried at cost. All assets excluding freehold land, are depreciated over their useful lives to the Association.

#### Depreciation

Plant and equipment, excluding freehold land, is depreciated on a straight-line basis over the assets useful life to the Association, commencing when the asset is ready for use.

ABN: 34 519 216 085

#### **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

#### 3 Summary of Significant Accounting Policies

#### (f) Financial instruments

#### Initial recognition and measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the intstrument. For financial assets, this is equivalent to the date that the association commits itself to either purchase or sell the asset (ie trade date accounting is adopted).

Financial instruments are initially mesured at fair value plus transaction costs except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately.

#### Financial Assets

Financial assets are divided into the following categories which are described in detail below:

- loans and receivables;
- available-for-sale financial assets; and
- held-to-maturity investments.

Financial assets are assigned to the different categories on initial recognition, depending on the characteristics of the instrument and its purpose. A financial instrument's category is relevant to the way it is measured and whether any resulting income and expenses are recognised in profit or loss or in other comprehensive income.

All income and expenses relating to financial assets are recognised in the income and expenditure statement in the 'finance income' or 'finance costs' line item respectively.

#### Loans and receivables

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss throught the amortisation process when the financial asset is derecognised.

#### Held-to-maturity investments

Held-to-maturity investments are non-derivative financial assets with fixed maturities and fixed or determinable payments, and it is the association's intention to hold these investments to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisatiuon process and when the financial asset is derecognised.

#### Available-for-sale financial assets

Available-for-sale financial assets are non-derivative financial assets that do not qualify for inclusion in any of the other categories of financial assets or which have been designated in this category.

All available-for-sale financial assets are measured at fair value, with subsequent changes in value recognised in other comprehensive income.

ABN: 34 519 216 085

#### **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

#### 3 Summary of Significant Accounting Policies

#### (f) Financial instruments

Gains and losses arising from financial instruments classified as available-for-sale are only recognised in profit or loss when they are sold or when the investment is impaired.

In the case of impairment or sale, any gain or loss previously recognised in equity is transferred to the profit or loss

#### Financial liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities depending on the purpose for which the liability was acquired. The Association's financial liabilities include borrowings, trade and other payables, which are measured at amortised cost using the effective interest rate method.

#### Impairment of Financial Assets

#### Impairment of financial assets

At the end of the reporting period the Association assesses whether there is any objective evidence that a financial asset or group of financial assets is impaired.

#### Financial assets at amortised cost

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the financial assets original effective interest rate

Impairment on loans and receivables is reduced through the use of an allowance account, all other impairment losses on financial assets at amortised cost are taken directly to the asset.

Subsequent recoveries of amounts previously written off are credited against other expenses in profit or loss.

#### Available-for-sale financial assets

A significant or prolonged decline in value of an available-for-sale asset below its cost is objective evidence of impairment, in this case, the cumulative loss that has been recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment. Any subsequent increase in the value of the asset is taken directly to other comprehensive income.

#### (g) Cash and cash equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value.

ABN: 34 519 216 085

#### **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

#### 3 Summary of Significant Accounting Policies

#### (h) Employee benefits

#### Short-term employee benefits

Provision is made for the Association's obligation for short-term employee benefits. Short-term employee benefits are benfits that are expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

#### Other long-term employee benefits

Provision is made for employees' leave entitlements not expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service. Other long-term employee benefits are measured at the present value of the expected future payments to be made to employees. Any remeasurements of other long-term employee benefit obligations due to changes in assumpltions are recognised in profit or loss in which the changes occur.

The association's obligations for long-term employee benefits are presented as non-current provisions in the statement of financial position, except where the association does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

ABN: 34 519 216 085

# **Notes to the Financial Statements**

# For the Year Ended 31 December 2018

#### 3 Summary of Significant Accounting Policies

(i) New Accounting Standards and Interpretations

	Effective dat	te	
Standard Name	for entity	Requirements	Impact
AASB 16: Leases	1 January 2019	When effective, this Standard will replace the current accounting requirements applicable to leases in AASB 117: Leases and related interpretations. AASB 16 introduces a single lessee accounting model that eliminates the requirement for leases to be classified as operating or finance leases. The main changes introduced by the new Standards are as follows:  Recognition of a right-of-use asset and liability for all leases (excluding short-term leases with less than 12 months of tenure and leases relating to low-value assets);  Depreciation of right-of-use assets in line with AASB 116: Property, Plant and Equipment in profit or loss and unwinding of the liability in principal and interest components;  Inclusion of variable lease payments that depend on an index or a rate in the initial measurement of the lease liability using the index or rate at the commencement date:  Application of a practical expedient to permit a lessee to elect not to seperate non-lease components and instead account for all components as a lease; and  Inclusion of additional disclosure requirements.  The transitional provisions of AASB 16 allow a lessee to either retrospectively apply the Standard to comparatives in line with AASB 108: Accounting Policies, Changes in Accounting Estimates and Errors or recognise the cumulative effect of retrospective application as an adjustment to opening equity on the date of initial application.	reasonable estimate o such impact.

ABN: 34 519 216 085

#### **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

#### 4 Critical Accounting Estimates and Judgments

Those charged with governance make estimates and judgements during the preparation of these financial statements regarding assumptions about current and future events affecting transactions and balances.

These estimates and judgements are based on the best information available at the time of preparing the financial statements, however as additional information is known then the actual results may differ from the estimates.

The significant estimates and judgements made have been described below.

#### Key estimates - receivables

The receivables at reporting date have been reviewed to determine whether there is any objective evidence that any of the receivables are impaired. An impairment provision is included for any receivable where the entire balance is not considered collectible. The impairment provision is based on the best information at the reporting date.

#### Key judgments - Employee benefits

For the purpose of measurement, AASB 119: *Employee Benefits* defines obligations for short-term employee benefits as obligations expected to be settled wholly before 12 months after the end of the annual reporting period in which the employees render the related service. The company expects most employees will take their annual leave entitlements within 24 months of the reporting period in which they were earned, but this will not have a material impact on the amounts recognised in respect of obligations for employees' leave entitlements.

#### 15 Financial Risk Management

The Association is exposed to a variety of financial risks through its use of financial instruments.

The Association's overall risk management plan seeks to minimise potential adverse effects due to the unpredictability of financial markets.

The most significant financial risks to which the Association is exposed to are described below:

#### Specific risks

- Liquidity risk
- Credit risk
- Market risk interest rate risk

#### Financial instruments used

The principal categories of financial instrument used by the Association are:

- Trade receivables
- Cash at bank
- Trade and other payables

#### Liquidity risk

Liquidity risk arises from the Association's management of working capital. It is the risk that the Association will encounter difficulty in meeting its financial obligations as they fall due.

The Association's policy is to ensure that it will always have sufficient cash to allow it to meet its liabilities as and when they fall due. The Association maintains cash and marketable securities to meet its liquidity requirements for up to 30-day periods. Funding for long-term liquidity needs is additionally secured by the ability to sell long-term financial assets.

The Association manages its liquidity needs by carefully monitoring cash-outflows due in day-to-day business.

Liquidity needs are monitored in various time bands, on a day-to-day and week-to-week basis, as well as on the basis of a rolling 30-day projection. Long-term liquidity needs for a 180-day and a 360-day period are identified monthly.

At the reporting date, these reports indicate that the Association expected to have sufficient liquid resources to meet its obligations under all reasonably expected circumstances and will not need to draw down any of the financing facilities.

ABN: 34 519 216 085

## **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

#### 15 Financial Risk Management

#### Liquidity risk

The Association's liabilities have contractual maturities which are summarised below:

	1 to 3 mc	1 to 3 months		I
	2018	2017	2018	2017
	\$	\$	\$	\$
Trade and other payables	29,545	15,036	29,545	15,036
	29,545	15,036	29,545	15,036

#### Credit risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in a financial loss to the Association.

Credit risk arises from cash and cash equivalents, deposits with banks and financial institutions, as well as credit exposure to customers, including outstanding receivables and committed transactions.

Management considers that all the financial assets that are not impaired for each of the reporting dates under review are of good credit quality, including those that are past due.

The credit risk for liquid funds and other short-term financial assets is considered negligible, since the counterparties are reputable banks with high quality external credit ratings.

The Association has no significant concentration of credit risk with respect to any single counterparty or group of counterparties.

The following table details the Association's trade and other receivables exposure to credit risk (prior to collateral and other credit enhancements) with ageing analysis and impairment provided for thereon. Amounts are considered as 'past due' when the debt has not been settled, within the terms and conditions agreed between the Association and the customer or counter party to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there is objective evidence indicating that the debt may not be fully repaid to the Association.

ABN: 34 519 216 085

#### **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

#### 15 Financial Risk Management

The balances of receivables that remain within initial trade terms (as detailed in the table) are considered to be of high credit quality.

		amount impaired	
	\$	\$	\$
2018			
Trade receivables	36,549	624	35,925
	36,549	624	35,925
2017			
Trade receivables	19,352	1,324	18,028
	19,352	1,324	18,028

The Association does not hold any financial assets with terms that have been renegotiated, but which would otherwise be past due or impaired.

The other classes of receivables do not contain impaired assets.

#### Market risk

#### Interest rate risk

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows or the fair value of fixed rate financial instruments. The association is exposed to earnings volatility on floating rate instruments. The financial instruments that expose the association to interest rate risk are limited to cash and cash equivalents.

#### 16 Auditors' Remuneration

	2018	2017
	\$	\$
Remuneration of the auditor of the association, Hardwickes Chartered Accountants, for:		
- auditing or reviewing the financial statements	3,650	3,350
	3,650	3,350

#### 17 Contingencies

In the opinion of the Committee of Management, the Association did not have any contingencies at 31 December 2018 (31 December 2017:None).

ABN: 34 519 216 085

#### **Notes to the Financial Statements**

#### For the Year Ended 31 December 2018

#### 18 Cash Flow Information

#### (a) Reconciliation of result for the year to cashflows from operating activities

Reconciliation of net income to net cash provided by operating activities:

		2018	2017
		\$	\$
Surplus for the year		77,461	111,543
Non-cash flows in profit:			
- depreciation	11(a)	2,336	316
Changes in assets and liabilities:			
<ul> <li>decrease/(increase) in trade and other receivables</li> </ul>		(17,674)	1,803
- decrease/(increase) in prepayments		1,126	743
- (increase)/decrease in inventories		17,224	(18,478)
- (decrease)/increase in income in advance		22,493	(13,682)
- (decrease)/increase in trade and other payables		24,036	2,480
- (decrease)/increase in employee benefits		6,892	4,626
Cashflow from operations	_	133,894	89,351

#### 19 Events after the end of the Reporting Period

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Association, the results of those operations or the state of affairs of the Association in future financial years.

# Independent Audit Report to the members of Australian Professional Snowsport Instructors Incorporated

#### Report on the Audit of the Financial Report

#### **Opinion**

We have audited the financial report of Australian Professional Snowsport Instructors Incorporated (the Association), which comprises the statement of financial position as at 31 December 2018, the income and expenditure statement, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies, and the declaration by those charged with governance.

In our opinion, the accompanying financial report presents fairly, in all material respects, including:

- (i) giving a true and fair view of the Association's financial position as at 31 December 2018 and of its financial performance and its cash flows for the year ended; and
- (ii) complying with Australian Accounting Standards.

#### **Basis for Opinion**

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Association in accordance with the auditor independence requirements of the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### Responsibilities of Management and Those Charged with Governance

Management is responsible for the preparation and fair presentation of the financial report in accordance with the Associations Incorporation Act (NSW) 2009 and Associations Incorporation Regulation (NSW) 2010, and for such internal control as management determines is necessary to enable the preparation of the financial report is free from material misstatement, whether due to fraud or error.

In preparing the financial report, management is responsible for assessing the the Association's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Association or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Association's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judegement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the overide of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the association's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the committee.
- Conclude on the appropriateness of the committee's use of the going concern basis of accounting and, based on the audit evidence obatined, whether a material uncertainty exists related to the events or conditions that may cast significant doubt on the association's ability to continue as a going concern. If we conclude that a material uncertaintly exists, we are required to draw attention in our auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the aduit evidence obtained up to the date of the auditor's report. However, future events or conditions may cause the association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the committee regarding, amounother matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
