Presenters

Heidi Ettlinger

Heidi is a two-term PSIA-AASI Alpine Team member [2012-2021], she serves on the PSIA-AASI Women's Advisory Group, the Nancy Oakes Hall Scholarship Committee, the Western Region Alpine Task Force, and past Education Leadership Council. Heidi has dedicated much of her career to building and leading women's adventure programs (in winter and summer) for the public and professionals. She founded the Women's Summit alongside working to grow many women's programs (nationally and internationally) for the public.

Erica Prestige

Erica is an accomplished ski instructor and CSIA course conductor. As the director of the Women In Skiing (WIS) Mentorship Program, she actively works to bridge the gender gap in the ski industry. She firmly believes that empowering women on the slopes not only enhances their skiing abilities but also fosters a more inclusive and diverse skiing culture. Under her guidance, the WIS Mentorship Program provides mentorship opportunities across Canada and supports aspiring skiers to reach their full potential within the ski industry.

Target Group

Females, males and diverse people who care about gender topics in our snowsport community and/or who are interested in getting to know valuable information about setting up a mentoring program.
