

INTERESTED IN TEACHING SKIING IN LAKE TAHOE FOR THE WINTER OF 2023/24?!?

*****VISA ALLOCATION PENDING*****

PSIA/ISIA Level 3 and equivalent Certified Ski Instructors

Heavenly SRS is planning on sponsoring qualified and motivated candidates for H2B visas to teach skiing in South Lake Tahoe, California. This is an amazing opportunity for industry professionals to work on the Western Seaboard of the United States, and experience a season in the Jewel of the Sierra. ***Travel and expenses to and from the U.S.A will be reimbursed. Employee housing in South Lake Tahoe is available.***

We do not reimburse sightseeing visits (or expenses) to any cool places close by, such as LA, San Francisco or Las Vegas!!!

However.... We are looking for fully certified ski instructors to come and work in the California sunshine for the season. You will teach guests of all ages and abilities in both group and private lessons in a fun, safe and engaging style. We offer a sunny and relaxed environment, with (this past winter) ridiculous amounts of snow. The season typically starts at the end of November and runs through the middle of April. Our guests come from all over California, the US, Central and South America - with all the diversity that brings. You will be working with an equally diverse group of people from all over the world. We would love you to come and share your passion for skiing and the mountains with our guests and staff - which includes world class trainers - PSIA Alpine Team Coach Michael Rogan, APSI Team Coach Richie Jameson and numerous PSIA Western Division Examiners. Also on staff are PSIA Alpine Team Member Alumni Heidi Ettlinger, and current PSIA Alpine Team Member and Director of Skier Services, Robin Barnes.
